## 1 Document Structure (*Times New Roman* 12-point type, bold)

The horizontal margins must be set to 2cm each, with no binding offset. The vertical margins must be set to 2.5cm each. You can provide the `showframe` option of the  $\text{\LaTeX} 2_{\epsilon}$  class to see the page layout.

The **Text:** use *Times New Roman* 11-point font and 6-point spacing between paragraphs. Italics may be used to emphasize words in running text. Bold type and underlining should be avoided. With these sizes, the interline distance should be set so that around 50 lines occur on a full-text page.

### 1.1 Page Numbering

Pages must **NOT** be numbered. Final pagination will be set by the editors of the proceedings.

### 1.2 Citations (*Times New Roman* 11-point type, bold)

The list of references is headed *References*, it should be placed at the end of your contribution. It should be in *Times New Roman* 10-point font. Please do not insert a page break before the list of references. For citations in the text, please use square brackets [1] and consecutive ordered numbers [2,3] in list of references. Please find below examples on how to format references corresponding to articles [1], books [2], book chapters and proceedings [3].

## 2 Warning

Note that the maximum length of *Highlight* submission must not exceed **1 page**. **A paper disregarding the format described in this document will be rejected (even if it was previously accepted by the program committee).**

## Acknowledgements

Acknowledgements are possible at the end of the document just before the References list. It should be in *Times New Roman* 10-point font.
